Also discussed the racquetball courts. Lepine and myself talked to nick salis about the actual process, probably coming the weeks around spring break.

 - Chick fil a came from meet your senator event, which inspired food suggestions. If you know of anyone who has suggestions, let me or a senator know.
 - The racquetball courts is coming out of planned improvements, and we still have money to make physical, lasting changes. I’m still working on the potential bulletin boards. Also looking into restoring the Apogee Fountain or making it into a statue of sorts. But those are just ideas. If you have more, let kyra know.
 - If we give an idea, can we put it all off on you and not do anything else about it is that okay? Yeah. If you give us a plan though it might work out better.

 - Thanks to whoever did the racquetball thing because I don't like concussions.
 - I spent a lot of time doing stuff this week, and it doesn't feel like much progress. Called lots of donors yesterday, assigned orgs to different non-profits, and we don't seem to have enough outside organizations to put people, so we're looking for more places to send students. Mike Mills will help.
 - Nancy Garcia, Grad Party
 - Meeting with the Hyatt rep tomorrow, and everything else is pretty much good to go. Might get two caricature artists instead of one.
