**General Session**  
*October 18, 2011 5:00 pm*  
*Allen Chapman Activity Center- Chouteau*

---

- **Roll Call of Officers in Attendance**
- **Approval of the Minutes**
- **Public Discussion and Action Items**
  - o **The Return of Steve- If you have a contract pending, please meet with me.**
- **Reports of Executive Officers**
  - o Grant McCarty, President
    - Golf Carting- make sure you're actually stopping to talk to people. Don't pelt people with candy please. Hand it to them, talk about the event. Don't allow friends who haven't signed a waiver to ride in the golf cart. It's a liability issue.
    - Make sure you're coming to and staying at events. We need to promote them, and part of that is being there.
    - Have a meeting with Alums next Friday and they want an update on what's going on, so let me know what you all are working on.
  - o Kyra McNamara, Vice President
    - Meeting with new senators. Stressing them getting more involved with you guys and supporting cabinet. You all have senate requirements, and you need to stay at the meeting the whole time. So support them too.
    - If you have ideas, let them know. You are a large resource with direct contact, so we appreciate any legislation ideas. Just passed some legislation that would result in a double-sided printer in MLIC. Hoping to get one in McF too.
  - o Natalie Stompoly, Secretary
    - Please double check your info on the roster.
    - When filling out timesheets, please type it, don't hand-write it. Also if you aren't getting paid, and its been like a week, there's nothing to worry about. If you haven't been getting paid but its been more than 2 weeks, that is a problem, so let me know.
    - Event sign in sheets were made to help get people to stay at events, so please actually use them.
  - o John Lepine, Treasurer
    - Thanks for keeping up with your google doc budgets. Up to date on check requests. Whoever made the HC ad in the collegian did a really good job.
  - o Mike Bauman, Chief of Staff
    - Attendance- Small events are still important. If you can be there the whole time, its more fun. Get to know each other, etc.

- EDs need to let me know about events 2 weeks ahead of time. Putting a form on the Shared Space by the end of the week, turn it into my box.
- Tailgates- Revamping the structure. We're refocusing the purpose to get people to the actual games, not just the tailgate. Its really necessary. Athletics has asked us if we have any ideas on how to get kids to the games, so talk to me or Erin after Cabinet. Changing the location, etc. They are thinking about moving it to Harwell, but need to talk to the big-wigs first. It'd be a more student-friendly atmosphere, and I'd like to hear your response to that.
- Elizabeth Baldwin, Deputy Chief of Staff
  - In addition to John's joke at the end, he's a great singer at the beginning.
  - Associates are going to plan their own event, so be thinking of ideas for later in the semester.
- **Reports of Senators in Attendance**
  - ***Katlyn McGouran, Donald Jessup***
  - Physical Plant Courtesy when it comes to power tools and noise; Updating students on physical plant processes.
- **Reports of Executive Directors, Small Events**
  - Sarah Mischnick, University Events
    - There are still some large Hoedown shirts in Steve's old office.
    - Friday, having Buses for Oktoberfest come from 6-12. It's the free admission day. Happening from ACAC.
    - Nov 2- Comedy Troup coming, and they're funny. In ACAC
  - Kylie Martineau, Student Awareness
    - Great job- the pink out went really well. T-shirts- I think I forgot to bring the extras, so I'll bring them next week. Or you could go to Steve's new office. Senate ordered them, so might be bringing them tonight.
    - Looking into making it possible to buy them for more people, because lots of people want them.
  - Erin Wilson, Athletics
    - Dig for the Cure Volleyball game at 7 on Thursday. Wear the pink shirts.
    - People have emailed me about missing a tailgate, so thanks for that. I might not respond, but I know.
    - BBQ at homecoming Tailgate? Is that ridiculous? Nope. Thinking of doing Koozies for the giveaway at the game. Maybe allow them to be brought into the game.
- **Reports of Executive Directors, Operations**
  - Kylie Crawford, Elections and Policy
    - Everyone should go to Senate and stay the whole time.

- Keep talking to people about Senate, because we still have spots open for appointment. Senate is cool and awesome.
- Rick Shipley, Information Services
  - We do have a calendar of SA-sponsored events, and I keep that updated. If you hear about events, tell them about the calendar. Its on the sidebar on the website, and its on the digital signage.
- Hillary Enloe, Public Relations
- Adriann Anderson, Graphic Design
  - Have more flyers! At 2 on Sunday, will be chalking for homecoming. Spray Chalk!!! Be there.
  - Have signed contracts for an ad to go out for Second City and will be airing some commercials on Channel 8 for that as well.
- Ryan Small, Org Development
  - Nope.
- **Reports of Executive Directors, Large Events**
  - Jordan Hendrickson, Community Service
    - Tentative Date for Service Day is Feb 25, or Feb 18. But leaning towards later date because it'll be warmer.
    - United Way- people could win bowling passes. But they have 140 extra passes. So here's the catch- you must pay for shoes. Steve had the idea of buying shoes at a thrift store. Take as many as you want.
  - Landry Harlan, Homecoming
    - Passing around sign-ups for Street Painting. There are 45 minute shifts. Also for golf-carting. There will be candy for these people.
    - Please flip to the schedules. Large Events an hour before, everyone 20 mins before they happen. Except Monday- LE 6:30, everyone else at the event; in the Chouteau. Friday at Lunch- 11-1pm, LE at 10:30, everyone else show up. Thursday doors open at 7. Same rules apply. Students need to get tickets in advance. Saturday Race will be changing. Either 10 am or 1pm, depending on when the buses get here from SMU.
    - Orgs are signing up for stuff. Get your orgs signed up!
    - Wed- orgs will be allowed to make their own tailgate food, which will be part of the contest. Make enough to pass around to students.
    - Cheers TU is what Alums came up with; we aren't promoting alcohol, so none at the events.
    - Please help Adriann with PR- chalking and posters.
    - Questions
      - This year's theme is no alcohol- do you have any other suggestions for street painting? Nope.
      - Wed- does each org sign up a soccer team to play? Yes, up to 2 teams. Can they be coed? No, just mens and womens. 7-12 players.
      - Banners? Not this year.
